IRIS

PALLIDA MANDRALISCAE. Rich Lavender Purple. This is one of the hardiest Iris in our Northern Climate, making a very beautiful showing of dark lavender purple blooms, standing about three feet high, also a very good bloomer. Can be used as a border or back ground and shorter light colored ones planted in front or around the outside. Also can be used with other blooming flowers of pink and white shades. We have placed the price so low that you can't afford to be without it. Why not start this spring to make your planting ?

Price 25 for \$1.50; 100 for \$5.00; 1000 for \$40.00.

"Kiss of the Sun for pardon,
Song of the birds for mirth;
One is nearer God's heart in the garden
Than anywhere else on earth."
